

List of Key Stakeholder Organizations in the SCAG Region (April 2014)

This table provides a list of key stakeholder organizations in the SCAG region. The list focuses on those public and private organizations with geographic interests that cover all or large portions of SCAG region and that have a specific interests in natural resources conservation, particularly natural biological communities and sensitive species of wildlife, fish, and plants. The list also includes large land owning entities that manage natural lands including federal, state, and local parks; federal land and resource management agencies such as the U.S. Forest Service and Bureau of Land Management; military installations; tribal lands; and non-governmental conservancies. Many of these key stakeholders are likely to have an interest in the development by SCAG of the regional open space conservation program identified in the RTP/SCS.
